A PHOTOGRAPHIC EXHIBITION

by Sasha Robertson

Merricks General Store Art Gallery
July 13 - August 4

about

Sasha Robertson is an Australian photographic artist. Her talent captures the symmetry and elegance of abstraction in landscape. Sasha's unique eye for art direction and composition embody a signature style capturing the elements of land and sea embracing aerial and traditional photographic techniques.

Her first exhibition explores the unique perspectives of pattern, rhythm and beauty in both landscape and still life imagery that drive her fascination of the power of nature resulting in a body of work from around the globe.

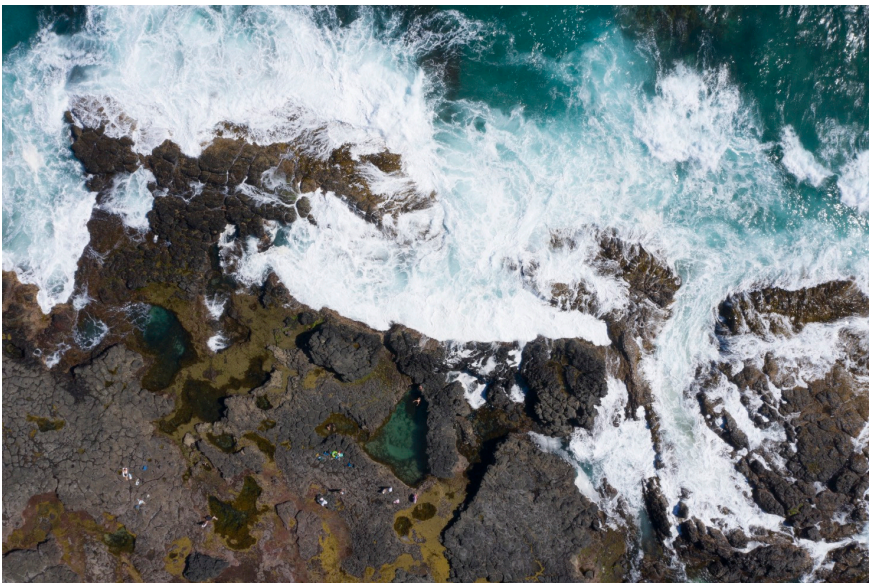

Works are available as limited edition prints on the finest archival paper and delivered framed in Australian made handcrafted timber.
